Shakopee Early Childhood Family Education (ECFE) is a program for all Shakopee families with children between the ages of birth to kindergarten entrance. The program is offered through Shakopee Public Schools and Community Education. ECFE’s goal is to enhance the ability of all parents to provide the best possible environment for their child’s learning and growth. This is an opportunity all parents and young children can benefit from!

- **Classes are 1.5 to 2 hours** in length and meet weekly, mornings, afternoons, evenings and Saturdays. Shakopee ECFE offers two semesters during the school year with classes running 14 weeks each semester.

- Parents and young children **attend together**.

- **Infant and Early Ones classes** (0-18 months) are non-separating classes. Parents and children stay together in the Early Childhood room for playtime and parenting discussion.

- **Classes for children 18 months - 5 years** are separating classes. Parents and children spend a portion of the class doing fun, developmentally appropriate learning activities together in the Early Childhood room. The second portion is a parent discussion in the Parent Education room where parents discuss parenting topics and how best to encourage and support their children’s learning and development.

- The Early Childhood Teachers and Parent Educators are **licensed teachers in the state of Minnesota**.

- **Cost is based on a sliding fee scale** and no one is turned away for inability to pay.

We are very excited to offer Four-Star Parent Aware rated preschool programming at Central Family Center. This highest-possible rating recognizes high-quality early childhood programs that use research-based practices to best prepare children for kindergarten.

Core to our philosophy is the value of parents as their child’s first and most important teacher. There are many ways parents can be involved: participating in monthly parenting seminars, volunteering, sharing skills, attending conferences, helping within the classroom and/or joining our Advisory Council.

Fall of 2016 we will offer Preschool Plus extended care, adjacent to a student’s preschool class, for three and four year old students enrolled in a two, three, five day morning or Full Day Fours preschool class. Students will receive a hot breakfast, snacks and hot lunch through the district’s food service program which is included in the monthly tuition. Preschool Plus extended care is also available on limited non-school days for an additional cost. (Extended care is available for students enrolled in designated 2, 3 and 5 day morning and FD4’s classes. See below.)
